***Mark 4:35-41***

**I. Jesus is Aware of Our Troubles.**

**God, by His own sovereign will, leads his people into storms and trails for his own set purposes that he might reveal the \_\_\_\_\_ of His grace.**

**II. Jesus Has Experienced Our Troubles.**

**If we can accept that God is sovereign over our troubles, then we can possess the \_\_\_\_\_ of God, even in the storms of life.**

**III. Jesus is Lord Over Our Troubles.**

**Unshakable faith in an all-powerful sovereign God is the hammer that breaks the stronghold \_\_\_\_\_ so often has on our lives.**

**IV. Jesus is With Us in Our Troubles.**

**For Christians, peace is not understood to be the absence of \_\_\_\_\_, its knowing with certainty that Christ is with us always, even during our troubles.**
