## In Memoriam

As a token of our appreciation and in memory of their loyalty and sacrifice, and as part of this Memorial Day observance flags have been placed on the following graves. These men having died while serving in the Armed Forces of our country. May we always remember that we honor them best, not by a passing gesture, but by the zeal and devotion of our lives as we face the responsibility of striving for the things for which they have made the ultimate sacrifice.

## National Anthem

Oh, say can you see by the dawn's early light  
What so proudly we hailed at the twilight's last gleaming?  
Whose broad stripes and bright stars thru the perilous fight,  
O'er the ramparts we watched were so gallantly streaming?  
And the rocket's red glare, the bombs bursting in air,  
Gave proof through the night that our flag was still there.  
Oh, say does that star-spangled banner yet wave  
O'er the land of the free and the home of the brave?

## America the Beautiful

O beautiful for spacious skies,  
For amber waves of grain,  
For purple mountain majesties  
Above the fruited plain!

America! America!  
God shed His grace on thee,  
And crown thy good with  
brotherhood  
From sea to shining sea!

O beautiful for patriot dream  
That sees beyond the years  
Thine alabaster cities gleam  
Undimmed by human tears.

America! America!  
God shed his grace on thee,  
And crown thy good with  
brotherhood  
From sea to shining sea.

## Taps

Day is done, gone the sun,  
From the lake, from the hills, from the sky;  
All is well, safely rest, God is nigh.

Fading light, dims the sight,  
And a star gems the sky, gleaming bright.  
From afar, drawing nigh, falls the night.

Thanks and praise, for our days,  
'Neath the sun, 'neath the stars, neath the sky;  
As we go, this we know, God is nigh.

Sun has set, shadows come,  
Time has fled, Scouts must go to their beds  
Always true to the promise that they made.

While the light fades from sight,  
And the stars gleaming rays softly send,  
To thy hands we our souls, Lord, commend.
