

A Mighty Fortress is Our God
1 Samuel 19:1-24

The Lord protects his anointed:

I. By the Loyal Intervention of Jonathan.

We prove our faith to King Jesus, by maintaining our _____ and _____ to him, above all else, regardless of the costs.

II. By the Skillful Evasion of David.

If any man ever proved the need for the saving _____ of Jesus Christ, that man is Saul.

III. By the Clever Deception of Michal.

David knew, regardless of the circumstances, that he could _____ in the Lord to protect him, and so can we.

IV. By the Mighty Invasion of the Holy Spirit.

You either find refuge _____ God, or you won't find refuge _____ God.
